Real West Brom Adult Charter Standard Success UEFA Hat Trick Project – Greets Green Partners – The FA, WBA Community Programme, Greets Green Partnership. Wednesday 12th September 2007

Real West Brom have become the first Adult Charter Standard Club in the Greets Green area of West Bromwich. The club who play in the Birmingham Premier of the Shapla League have had a successful few year on the pitch with winning a promotion and golden boots awards in 2006.

The team are based from Sandwell Yemeni Association and provide the adult football for the Yemeni and Bangladeshi community of Greets Green and West Bromwich.

Manager Abdul Kahar has been engaged in the UEFA Hat trick project in Greets Green from its start in 2005 and has seen the benefit of using football to promote community cohesion and health related activities.

Abdul has gained his Level 1 and awaiting his final assessment for his FA level2 coaching qualification.

Abdul stated that "by being involved in the Uefa Hat trick project Real West Brom FC have been able to access training and coaching qualifications in order for us to be able to apply and gain our Charter Standard. The scheme has benefited us well also in terms of new players and young players participating in all aspects of football"

To add to the team one of their players, Abdar Obeed who gained a full-time job at Lodge Primary School with assistance of The Hat Trick Project and benefits the children by delivering Sport and Football to all the age groups of the school.

Adult football has a big participation rate in Greets Green and it is hoped other teams benefit from seeing the example of how health & fitness, qualifications and coaching has benefited Real West Brom and their players. This has added towards sustainability of Football as a whole in Greets Green.
